-

Teaching assistant, Catholic University of Milan, 1992- 2001. Topics:

-
- Ethics of Metaphor
 - Philosophical Anthropology
 - Cognitive Linguistics
 - Linguistics and Philosophy of Language
-

RESEARCH EXPERIENCE

RESEARCH PROJECTS (SELECTION):

2024-present: associate investigator (AI), “PROBEN Project: Four Challenges for Well-Being” on the promotion of psycho-physical well-being in university students, funded with approximately 10 million euros by the Italian Ministry for University and Research. UER and University of Foggia. PI: Francesco Sulla.

2023-2026: Unit Principal Investigator (PI), “Teachers’ and parents’ perspectives on Character Education in Europe (TEPACE)”, promoted by the European Character and Virtue Association (ECVA).

2023-2024: co-PI, “Combating Discrimination through Social Cohesion: A Psycho-Socio-Educational Intervention for Upper Secondary Schools”, European University of Rome, funded by Lottomatica Foundation. Co-PI: Angelo Panno.

2022-24: external partner, “Emotions as Virtuous Feelings”, funded by the Polish Ministry for Research, University of Gdansk (Poland). PI: Pawel Pijas.

2021-24: external partner, “A morally good person, honest professional and wise citizen – challenges to contemporary moral education”, funded by the Polish Ministry for Research, University of Gdansk (Poland). PI: Natasza Szutta.

2021-23: co-PI, “Social Persuasion and Virtue Education within Global Communication: Towards an Ethical Nudging”, funded by the Italian Institute of Political Studies “Pio V” of Rome. Co-PIs: Franco Miano, Antonio Scoppettuolo.

2019-21: co-PI, Erasmus+, “EDoC (European Day of Care) Project”, in cooperation with European Multisport Club (Third Mission). Co-PI: Gabriella Bascelli.

2019-20: Unit PI, Erasmus+, “Dual Careers – Double Success”, in cooperation with SS Lazio Basket. Co-PI: Gabriella Bascelli.

2018-19: PI, “The neurobiology of virtue and the challenge to moral development”, FFO (“University Governmental Research Funding”) UER

2018-19: AI, “Virtues, Media, and Democracy”, University of Genoa, PI: Maria Silvia Vaccarezza

2017-2018: PI, “Virtue Ethics and Psychology”, FFO UER

2016-2017: AI, “Virtues and Exemplarism”, University of Genoa, PI: Angelo Campodonico

2016-2017: PI, “The Structure of the Virtues: An empirical investigation of the dimensionality of the virtues from a psychological and philosophical perspective. An intervention of dignity therapy with end-stage cancer patients”, FFO UER

2013-2017: AI, PRIN 2012, “Universality and its Limits: Inclusion and Exclusion Mechanisms within the History of Philosophy and Contemporary Philosophical Debates”, Research Unit: University of Genoa, Unit PI: Letterio Mauro

2015-16: PI, “The virtue of courage: theoretical and empirical perspectives”, FFO UER

2014-2015: PI, “What is Europe? A Multidisciplinary Path to Understand EU and Foster European Citizenship”, funded by Lazio Region and European Commission

2014-15: PI of “Does Palliative Care Prevent Euthanasia Requests?”, FFO UER in cooperation with Associazione Antea and Regina Apostolorum Pontifical University (Third Mission)

2014: PI of “Psycho-sexual growth and personal *unitotality* in developmental age”, FFO UER in cooperation with some middle schools in Rome (Third Mission)

2013-14: PI, “Palliative care and social ethics”, FFO UER in cooperation with the National Medical University of Ivano Frankivsk (UK)

2012-13: PI, “Life, Health, Relationship: which Autonomy?”, FFO UER

2012-13: PI, “The Unity of Faith, the Multiplicity of Knowledge”, FFO UER

2009-2012: PI, "Liberty, Autonomy, and Self-determination", FFO UER

2007-2011: AI, VII Framework Program of European Union, FP/-SCIENCE-IN-SOCIETY-2007-1, Feasibility Study, "Ethicsweb", Italian National Institute of Health, Unit PI: Maurella Della Seta, PI: Dirk Lanzerath

MEMBERSHIPS AND AWARDS

Unesco Chair for the Ethics of Artificial Intelligence and Practical Wisdom: member of the scientific committee, since 2026

Global Character Alliance (GCA): steering committee member, since 2026

Society for Ethics and Politics of Artificial Intelligence (SEPAI): member of the scientific committee, since 2025

Aretai - Center on Virtues: director since 2025 (member since 2016)

Italian Society for Analytical Philosophy (Società Italiana di Filosofia Analitica, SIFA): member since 2025

European Association for Character and Virtues (ECVA): steering committee member, since 2024

“Science & Life” (Scienza & Vita) Research Center: vice-president, since 2024

Italian Council of Philosophy (Consulta Italiana di Filosofia), invited member since 2019 and steering committee member (elected), since 2024

Unesco Chair for Bioethics and Human Rights, Regina Apostolorum Pontifical University and UER: member of the scientific committee, since 2023
